Post-Production & Editing
Advanced Video Editing, Color Grading, Motion Graphics, Sound Design, Social-First Formats

Software Suite
Adobe Premiere Pro, DaVinci Resolve, Adobe After Effects, Adobe Photoshop

PROFESSIONAL EXPERIENCE

Founder & Creative Director — Timeline Vision — **May 2026 – Present | Algiers, Algeria**

- Founded and managed a full-service video production company equipped with a dedicated, professional shooting studio.
- Spearheaded creative direction, concept development, storyboarding, and video execution for corporate and commercial clients.
- Directed on-set production teams, camera crews, studio lighting setups, and end-to-end post-production workflows.
- Delivered high-quality commercial advertisements, promotional brand films, and high-converting social media campaigns.

Freelance Film Director & Senior Editor — Self-Employed — **2025 – 2026**

- Produced, shot, and edited commercial video content for prominent brands including **Samsung**, **Clear**, **Tecno Mobile**, and **Laboratoires Venus**.
- Designed short-form and long-form video campaigns optimized for digital marketing performance across social platforms.
- Managed post-production pipelines, including fine-cutting, advanced color grading, motion graphics, and audio mixing.

Filmmaker & Video Editor — Kampus22 — **2024 – 2025**

- Handled full-cycle media production, field shooting, camera operation, and video editing for diverse client projects.
- Collaborated closely with marketing teams to produce engaging digital content under tight production deadlines.

KEY HIGHLIGHTS & PORTFOLIO
