Software: Adobe Premiere Pro, Adobe After Effects, Adobe Photoshop

PROFESSIONAL EXPERIENCE

Founder & Creative Director | Timeline Vision, Algiers — May 2026 – Present

- Founded a video production company with its own professional shooting studio and served **15+ corporate and brand clients**.
- Lead projects end to end, from client brief, concept and storyboard through shoot, edit and color grade to final delivery.
- Direct on-set teams and camera crews, and design studio lighting setups for ad spots, product films and brand content.
- Deliver advertising films, promotional brand videos and high-converting social media campaigns.

Freelance Film Director & Senior Video Editor | Self-employed — 2025 – 2026

- Produced, shot and edited advertising content for **4 major brands**: Samsung, Clear, Tecno Mobile and Laboratoires Venus.
- Covered a **3-day brand event** for Laboratoires Venus and produced the recap film for social media.
- Designed short-form and long-form video campaigns optimized for digital marketing performance across social platforms.
- Managed complete post-production pipelines: fine cut, advanced color grading, motion graphics and audio mixing.

Filmmaker & Video Editor | Kampus22 — 2024 – 2025

- Handled full-cycle media production for a range of client projects, from planning to final edit.
- Operated cameras on field shoots and edited the footage into finished client videos.
- Partnered with marketing teams to produce engaging digital content under tight production deadlines.

KEY ACHIEVEMENTS

- **Brands:** directed and edited work for **4 major national and international brands** (Samsung, Clear, Tecno Mobile, Laboratoires Venus).
- **Portfolio: 90+ showcased productions**, including **25+ commercials**, **50+ social-first content videos** and **15+ event films**.
- **Audience:** grew @yacine__tr to **28,000+ followers** by sharing storytelling and creative production techniques.
- **Entrepreneurship:** founded Timeline Vision and its in-house studio after **4+ years** in the industry.
